1. Introduction

In St. Mary's a culture of achievement, improvement and ambition exists with clear expectations that all pupils can and will achieve to the very best of their ability. We aim to provide an inclusive, caring and safe environment in which all children can grow in self-esteem, independence and confidence. Our care for the children enables their holistic development; spiritually, physically, intellectually, morally, emotionally and socially.

Integral to this is the recognition of the self-worth and value of every child, the fostering of the key values of Catholic education and the promotion of mutual understanding and respect for others. In order to accomplish this, we seek to create a learning community where children, parents, staff and governors demonstrate a commitment to achieving high standards, mutual care and support of each other.

We hope that issues can be addressed by talking to the relevant staff. Open communication and regular engagement between the school, parents/carers and other stakeholders is vital to nurturing positive relationships within the whole school community.

1.1. School Information

In keeping with the school's Mission Statement, we take complaints very seriously. We have the best interests of all pupils and their families at the centre of all we do. In this regard, we encourage you to raise any concerns you might have as soon as possible. If issues are dealt with at an early stage, then they are more likely to be resolved without any sense of dissatisfaction developing unnecessarily.

Most issues can be addressed quickly and effectively by talking to the relevant staff member who will be happy to help. Open communication and regular engagement between school staff and parents/guardians is vital to the effective management of the school.

If you have any concerns or would like clarification of any matter you should talk to your child's class teacher as soon as possible. Any concerns other than those associated with your child's classroom should be raised with the Principal. All concerns raised will be taken seriously and every effort will be made to resolve matters as quickly as possible.

In operating this Complaints Procedure we aim to:

- encourage resolution of problems by informal means wherever possible;
- provide timely responses to concerns and complaints;
- keep people informed of progress;
- ensure a full and fair investigation;
- have due regard for the rights and responsibilities of all parties involved;
- respect confidentiality;
- fully address all aspects of a complaint and provide an effective response
- take appropriate action to rectify the issue and prevent it happening again where appropriate
- be responsive to learning from outcomes which will inform and improve practice within the school.

A copy of this Procedure is available on the school's website or is available from the school on request.

We welcome communication with our staff. Parents / carers can do this by contacting staff as outlined below:
