Dear Parents/ Guardians

We value our parents' views and the partnership that exists between school and home. Good practise suggests that parents have an input into School Policies. Our Pastoral Care and Positive Behaviour Policies are now available on the school website. I would ask parents to view these policies and if you have any views or would like to make a contribution please comment in the box below.

We are also in the process of setting up a 'Parents Forum' to contribute to school life. This would involve coming into school once a term to view new policies, review new resources, complete questionnaires and give your valuable contribution. If you would be interested in joining this group, please tick the box below.

All forms are asked to be returned before Monday 8th October.

Yours sincerely

F Martin
(Acting Principal)
